Item 4.01 Changes in Registrant’s Certifying Accountant.

Grayscale Investments, LLC, the manager (the “Manager”) of Grayscale Digital Large Cap Fund LLC (the “Fund”) was notified that the audit practice of Friedman LLP, the Fund’s independent registered public accounting firm (“Friedman”), was combined with Marcum LLP (“Marcum”) effective September 1, 2022. On September 27, 2022, the Audit Committee of the Board of Directors of the Manager approved the dismissal of Friedman and the engagement of Marcum to serve as the independent registered public accounting firm of the Fund. The services previously provided by Friedman will now be provided by Marcum.

The reports of Friedman on the financial statements of the Fund for the years ended June 30, 2022 and 2021 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle, except for the inclusion of an emphasis of matter paragraph with respect to investments in digital assets. In connection with its audits of the years ended June 30, 2022 and 2021 and reviews of the Fund’s financial statements through September 27, 2022, there were no disagreements with Friedman on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Friedman, would have caused them to make reference thereto in their report on the financial statements for such years.

The Manager has furnished to Friedman the statements made in this Item 4.01. Attached as Exhibit 16.1 to this Form 8-K is Friedman’s letter to the Securities and Exchange Commission (the “SEC”), dated September 29, 2022 regarding these statements.

During the two most recent fiscal years and through September 27, 2022, the Fund has not consulted with Marcum on any matter that (i) involved the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Fund’s financial statements, in each case where a written report was provided or oral advice was provided that Marcum concluded was an important factor considered by the Fund in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K (“Regulation S-K”) promulgated by the SEC and the related instructions to Item 304 of Regulation S-K, or a “reportable event,” as described in Item 304(a)(1)(v) of Regulation S-K.
